

Family SUMMER BINGO

Watch a Bible Story

Watch a Crossing Kids YouTube episode with your family. Afterward, ask, "What did you learn about God?"

Thankful List

Read Psalm 136:1, then list what you're each thankful for. Pray to thank God for those things.

Give thanks to the LORD for he is good. His love endures forever.
Psalm 136:1

Trail Walk

Take a walk on the trail. List off the things you see that God created as listed in Genesis 1 (*light, darkness, sun, moon, water, birds, etc.*) Talk about which item in creation is your favorite and why.

Get Some Ice Cream

While you're eating, read Psalm 34:8 and come up with three ways God has been good to your family.

Taste and see that Lord is good.
Psalm 34:8

Catch Lightning Bugs

Put them in a jar (with holes). Afterward, read Revelation 4:11, then talk about the types of bugs God created and which you think are the most interesting.

You are worthy, our Lord and God, to receive glory and honor and power, for you created all things, and by your will, they were created and had their being.
Revelation 4:11

Serve Someone

Talk about how being a part of God's church means loving others by helping them and encouraging them. We can serve meals, visit someone living alone, help someone move, mow a yard, etc.

Read the Lord's Prayer

(Matthew 6:9-13) Have everyone share a time they needed to ask for forgiveness and/or a time they have needed to forgive someone else.

Go swimming!

On the way home, listen to the song "Only Jesus Christ" by Citizens. Remind your kids that nothing satisfies them like Jesus, the Living Water.

Attend Church Together

Afterward, go around and share what you learned in service and what the kids learned in class.
